

⚠ Important Notice from Meta Policy Support Team

Dear Page Administrator,

We are the Meta Policy Support Team.

Our system has detected that your Facebook Page may have violated Meta’s Community Standards, including but not limited to the use of copyrighted materials, misleading product information, or content that does not comply with our policies.

As a result, your Page has been flagged as non-compliant. This may lead to certain restrictions being applied, or in more serious cases, permanent deactivation.

If you believe this is a mistake, please submit an appeal through the Meta Help Center within the specified time frame.

Failure to do so will result in the current decision being considered final. Thank you for your understanding and cooperation.

Sincerely,
Meta Policy Support Team
